

Network Capacity Fee Declaration

NCF stands for Network Capacity Fee and it's collected from customers for providing the digital cable experience by MSOs as per the TRAI regulations. Network Capacity Fee details for MSO New Harika Star & Cable TV Network are defined as

- For primary connection
 - ₹130 (excluding tax) is applicable for 200 SD channels
 - ₹160 (excluding tax) is applicable for more than 200 SD channels
- For each secondary connection
 - ₹52 (excluding tax) is applicable for 200 SD channels
 - ₹62 (excluding tax) is applicable for more than 200 SD channels
- Please note that 1 HD channel is counted as 2 SD channels in the NCF calculation as per TRAI regulation
- The television channels notified by the Central Government of India (such as DD channels) shall be available to all the subscribers and shall be in addition to the number of channels available in the Network Capacity Fee
- Maximum Retail Price of each channel (exclusive of applicable taxes) will be displayed on EPG as seen on your TV screen
- Please refer to respective broadcasters website for additional information and MRP of pay channels and the CONSUMER INFO Channel in LCN - 999
